

CU Boulder, Veterans Alumni Club

Veteran Mentorship and Transition Program

Program Description:

Our Veteran Mentorship and Transition Program is designed to enable Student Veterans with the ability to succeed in the civilian business world. The program matches CU Boulder Veterans (mentees) from all branches of service and backgrounds with industry professionals in their fields of study. The Mentee will not only meet with their industry Mentor on a monthly basis, but will also complete a series of meetings with their Academic Advisor and Career Counselor. Additionally, Mentees will participate in several career related workshops and transition events. Through program involvement, the Mentee will be strengthening their resume, cover letter, professional introduction skills, professional social media practices, job searching techniques, and valuable networking skills. They will gain critical information about their potential career choices and develop valuable insight and leadership skills from their mentor. Upon completion of the program the M
