

The curriculum in the Leeds School of Business is structured so that students move through classes in a prescribed order. Prerequisites are important and are strongly enforced. This is a sample plan for completing a business degree in eight semesters. Students are not limited to this plan; it is meant to be used as a guide for planning purposes.

First Year

Choose: Arts & Sciences Core	3	
Total:		16

First Year Advising Notes: The classes recommended during the first two years are the same regardless of which area of emphasis you declare. BCOR 1015, BCOR 1025, MATH 1112, ECON 2010, and 26 credit hours completed are prerequisites to all other BCOR classes and should be finished by the end of the first year.

Goals: Talk to your academic advisor about your interests and goals and begin to understand career options for management majors. Begin to customize your plan--consider minor, certificate, and dual degree options that will give you technical skills. Explore student groups and join one that feels right for you and fits with your career interests. Apply for the Young Alumni Mentoring Program (YAMS) in the spring.

After your first year: Get a summer job to start building your resume and begin networking.

Second Year

Fall	credits	
BCOR 2001: Principles of Mgmt & Mktg	3	
BCOR 2002: Principles of Acct & Fnce	3	
BCOR 2003: Business Law, Ethics & Soc. Resp.	3

Choose: Arts & Sciences Core	3	
Total:		15

Spring	credits	
Integrated BCOR Semester	12	
Choose: Arts & Sciences Core	3	
Total:		15

Second Year Advising Notes: To stay on track, complete all BCOR classes by the end of your second year. If you are planning on a dual degree, minor, or certificate, see your advisor about how to best use your non-business electives.

Goals: Continue to explore careers and how your interests and skills might fit into a career path. Explore leadership positions within student organizations and apply for the Leeds Professional Mentoring Program in the spring. If you are considering studying abroad, research program options and talk to your advisor about how it will fit in your plan.

After your second year: Work with Career Development to pursue an internship.
