The [Center for Assessment and Diagnostic Research in Education \(CADRE\)](#) is housed in the [School of Education at the University of Colorado Boulder](#). The mission of CADRE is to produce generalizable knowledge that improves the ability to assess student learning and to evaluate programs and methods that may have an effect on this learning. Projects undertaken by CADRE staff represent a collaboration with the ongoing activities in the School of Education, the University, and the broader national and international community of scholars and stakeholders involved in educational assessment and evaluation.
